A New Friend

I have a new friend named Robert. He is 7 years old and just moved to our town from Lubbock, Texas. I have never been to Texas. I grew up in California. Robert said that he lived on a ranch and had cows and horses. I have a hamster and a fish. I’d love to have a horse! Robert has 3 brothers and 2 sisters, but I am an only child. He also likes country music, but I prefer to listen to rock and roll. We are pretty different.

After getting to know Robert for a few weeks, though, I realized that we are a lot alike, too. We both like to draw. I have boxes of Legos and so does Robert! We like to build things together. I have a collection of shells I found on the coast, and Robert has a bunch of rocks he collected in the hills of Lubbock. Some even have fossils in them! I think Robert and I are going to be good friends.

Answer these questions about the text.

1. Who are the main characters?

2. How were the two friends different?

3. How were the two friends alike?

Ask a question about this text.
